

July 2024...

We had a wonderful month here in Argentina. Winter has officially arrived, and it has become quite chilly here. It is very exciting that we completed our Sunday night Sunday school series that we started when I arrived. It is hard to believe I have only one more month left here in Argentina.

Iglesia Bautista Esperanza had their 2nd anniversary. We had a wonderful service and fellowship to celebrate. I have enjoyed so much attending this church and spending time with the young girls there. Iglesia Bautista Fe had their annual ladies' meeting where I was able to read my testimony in Spanish. We had a good number of ladies attend, and we had an amazing time together.

I am so grateful for all the help and patience everyone has shown me as I have worked to learn Spanish. The Lord has provided so many amazing opportunities while I have been here, and I am very sad it is coming to an end soon. I am thankful for the friends I have been able to make while I have been here. Please continue to pray for me as I finish my internship and prepare to go back to the States.

Prayer Requests:

- Henry Family and their ministry
- Language School
- Iglesia Bautista Esperanza and Fe
- Last Month in Argentina
- My Return to the States.
