August 2024...

It's hard to believe my time in Argentina has come to an end. I'm overwhelmed by how God provided and worked in my life. I'm so grateful for this amazing opportunity to live and learn here. It's been an incredible privilege to study and serve Him. I loved spending time at Iglesia Bautista Esperanza and Fe. Even though I couldn't communicate well, I made so many good friends. I am so thankful for everyone's kindness and patience in helping me learn Spanish and the amazing Argentine culture.

I want to say a huge thank you to the Henry family for letting me be a part of their family, feeding me, and spending many hours and days with me. I'm so grateful for their mentorship and counsel. They truly let me watch and learn in every aspect of their life. They are hardworking and have dedicated their lives to serving the Lord and others. I had a blast being with them and living in Argentina.

I'm grateful to the Lord for directing me and opening doors. When I arrived in Argentina, I really had no idea where the Lord was leading me or His plan for my life. When I return to the States, I will be working for Vision Baptist Missions. I'm excited to see how the Lord works and leads me. I'm thankful for His goodness in directing me and allowing me to serve Him.

Prayer Requests:

- Henry Family and their ministry
- Iglesia Bautista Esperanza and Fe
- New season at VBM
- My Return to the States.
- The Lord would continue to make clear His plan for my life.
