

COFFEY FAMILY

Church Planters to South Africa

This Sunday, we are excited to have four older adults getting baptized at Lighthouse Baptist Church, with another baptism planned for the following week.

Two Sundays ago, Lynette Osborn, a dedicated single missionary working with us, presented certificates to eight young ladies who had completed an extensive discipleship course. It's truly

encouraging to witness the spiritual growth in our community over the past few weeks.

In recent months, we've been raising funds to purchase a 15-passenger van for our camp and youth home ministry. We've received an additional \$1,000, bringing us to \$17,000. Please pray with us as we work to raise the remaining \$14,000. This van will greatly benefit our current group and will be invaluable as we continue to grow. We anticipate welcoming two more children into the youth home soon, but without better transportation, this will be a significant challenge.

We also have a few young men serving in new church plants. We've initiated a plan to support them in full-time ministry for 6 to 12 months as they help these young churches grow. If you're interested in supporting our program to help these young preachers, please let me know.

-A Week at Camp, A Chance at Life-

Prayer Requests & Praise

- Please pray for our upcoming Soccer and Netball Tournament on Sept. 21st at Camp Rhino. We're expecting over 200 people on campus and praying that many will respond to the Gospel invitation.
- Also, pray for our son Luke and his wife Adri as they await the arrival of our first grandchild. Little Liam tried to come two months early, but thankfully, the labor stopped, and he's still growing strong. Their due date is October 23rd, but the doctors think he might arrive any day now.
- Please continue to pray for our daughter-in-law Ashley, who's experiencing health challenges, including blackouts and memory loss. She and my son Chase are seeking answers and hope to return to South Africa soon.
- My wife Amy has been away for over three weeks due to our daughter-in-law's early labor scare but is expected to be home by the end of the week. Please pray for her safe travels back from the U.S.

Quick Updates & Needs

- The construction and remodeling at Camp Rhino are progressing well. Most repairs from the major flood are completed. While we're on hold with the perimeter wall, we've started construction on a new snack and gift shop, thanks to a generous donation specifically for that project. This addition will be a significant asset to the camp. Please pray we can begin construction on the new girls' dorms soon, as we aim to have them finished before our busy camp season in December.
- This month, Amy and I will be traveling to Benin for a week to visit missionaries Nate and Emily Wilkerson as part of my role as the Africa Field Director for our mission. We're looking forward to spending time with these new missionaries in West Africa.
