

COFFEY FAMILY

Church Planters to South Africa

December marks the beginning of our summer camp season here at Camp Rhino. Please keep our Teen and Junior camps in your prayers, as we expect around 400 attendees, including campers, counselors, and staff.

We are currently seeking sponsors for our campers, and any support would be greatly appreciated! Each camper costs us about \$50–\$60, but we only ask the teens to pay \$5 to make it affordable. We're aiming for at least 200 sponsors to help cover expenses for over 300 kids.

Once Junior Camp concludes, our family will travel to the U.S. to begin our five-month furlough and meet our new grandson and granddaughter!

Our youngest son recently welcomed a son, and now our oldest son and his wife are fostering a little girl, hoping to adopt her. We feel incredibly blessed to have these two new additions to our family!

If you'd like us to visit and share about our ministry during this time, please let me know. We're working to raise additional support to help cover a funding shortfall due to Camp and Youth Home expenses. We also hope to report back to as many of our supporting churches as possible.

Thank you all so much for your prayers and support.

Prayer Requests & Praise

- I currently have four Bible studies underway with five men from our church. Please join me in praying for their growth in Christ and that they may become strong spiritual leaders. Also, keep them and our South Africa pastor, Mvume Johnson, in your prayers as we prepare to leave in December.
- Last month, our youth home girl Sisipho, who was set to be married this past Saturday, was tragically taken from us. Please continue to keep our camp family and her fiancé, Amine, in your prayers as we feel her absence every day.
- Please pray for the country Mozambique, where our missionaries Jacob and Christen Clower are serving. The country is facing widespread strikes and government protests amid concerns that recent elections were corrupt.
- Thank you so much for praying for our daughter-in-law Ashley. She's still experiencing health challenges, including blackouts and memory loss. She and my son Chase are seeking answers and hope to return to South Africa soon.

Quick Updates & Needs

- The 70 teenagers from Rocklands High School are still here at camp, and we hold a preaching service for them every night. With one week left before they depart, we are praying to see many come to Christ.
- We still need \$6,000 to complete the dining pavilion and snack shop at Camp Rhino, and we're hoping to finish these projects before Teen Camp begins on December 3rd.
- We attended the Africa Regional Conference in Greece in October, where we enjoyed a wonderful time of fellowship and training with our VBM missionary team. Please pray with us for more laborers to serve in Africa.
