

COFFEY FAMILY

Church Planters to South Africa

Our final weeks in South Africa before heading to the States for a few months have been incredibly productive. I've been enjoying Bible studies with five faithful men from our church, and we're celebrating that 10 teenagers trusted Christ during our recent teen camp!

Church attendance has been steady at around 80 people, but what's even more encouraging is the growing spiritual maturity among adults of all ages.

Junior Camp kicks off today, and we're praying that many of the 9-12-year-olds attending will decide to trust Jesus and follow Him. We're expecting over 100 kids to start arriving at 3 PM.

We leave this Friday for our furlough in the States, where we'll be from December 14 to May 8. During this time, we're excited to meet our new grandchildren and work on raising additional support. If you'd like us to visit your church and share about our ministry, please don't hesitate to let me know!

-A Week at Camp, A Chance at Life-

Prayer Requests & Praise

- Next semester, I will be teaching a college class on Discipleship at Vision School of Mission on Tuesday mornings while I'm in the States. Please pray that this class will be a blessing and a help to the students. If you know anyone interested in becoming a missionary, Vision School of Mission is a great place to explore that calling.
- We're excited to see new people attending our church! Some have recently been saved, while others are still exploring their faith and haven't yet made a profession of faith. Please pray that more people will come to Christ and grow in His Word. We are particularly encouraged to see older men and married couples joining us—something that has been rare in the past.
- Please also pray for Noah Haught. He worked with us for a year as an intern at the camp and youth home and is now raising support to return here full-time. Pray for God's provision and guidance as he prepares for this ministry.
- Finally, we deeply appreciate your prayers for our daughter-in-law, Ashley. She is still facing significant health challenges, including blackouts and memory loss. She and our son Chase are seeking answers and hope to return to South Africa in February. Your continued prayers for her healing and their direction mean so much to us.
- Please pray for God to raise up more laborers for the harvest in Africa.

Quick Updates & Needs

- Missionary Mike Haley from Botswana was our special speaker for teen camp, and his time with us was a great blessing. We rejoice that 10 teens made professions of faith!
- Please pray for God's provision for our current and future construction projects at Camp Rhino. We're incredibly thankful for how He has used many of you to make this ministry possible.
